OMEA Conference Information!

January 28-30, 2010
Duke Energy Center, Cincinnati, Ohio

*Please note some important changes for
this year's conference!*

- ♪ Everything regarding the OMEA Conference in January can be found on the website www.omea-ohio.org, including conference schedule, performing ensembles, hotel information, registration, etc. . .
- ♪ To register online for convention go to <https://www.omea-ohio2.org/Activities/Activities/Activities/ConferenceRegistration.html>
- ♪ The conference schedule will only be available on-line, so be sure to print it off and take it with you!
- ♪ OMEA is providing a bus from Cleveland to Cincinnati for \$40. Please go to the OMEA website (http://omea-ohio.org/Static_PDF/Conference/Cleve_Express.pdf) for more details and to sign up!
- ♪ OMEA and District IV ask that you update your information, even if only a small detail has changed

DISTRICT IV RECEPTION

You're Invited!

Hyatt Regency Hotel in the Hoosier Room
Thursday, January 28th from 9-11:30p.m.

Come join the fun!!!!

AE INFO!

A Note From Bill Davis
High School/Middle School Solo & Ensemble AE Host

Be sure to plan ahead for OMEA Solo & Ensemble. The due date for registration is **January 6**. REMEMBER, this is right after winter break for most schools.

Note: Each school needs to write one large check to District 4 from either the booster group or the school. Individual checks from students result in many fees for us due to non-sufficient funds.

Dear District Four High School and Junior High Middle School Teachers,

The North Ridgeville High School Choral Department will once again be hosting the High School and Junior High Solo and Ensemble adjudicated Events on February 6 and March 27 2010. Specific information will be posted on the District IV web page in the next few weeks.

Please be advised that there is yet another Data Entry program from Greg Taylor. The following is directly from his e mail to us:

"There will be a new version of the DEP (Data Entry Program) program that will be released here in the next week or so. They (directors) can find links off the AE section of the OMEA Website (under Solo and Ensemble). This version is called.....creatively.....Data Entry Program 2010.

EVERYone will need it. **This is a complete program, not an update.** It looks basically the same but creates a database file for the checkout.....So they will all have to install it.....but the good news.....it's free."

Please note everyone will need to update and that this is a complete program NOT an update.

I hope your year is going well and look forward to seeing you all again.

Bill
